

Because of the limited number of spaces available, it may not be possible to accommodate all applicants. Once the Application period is over, the programme committee will go through all applications and select a diverse group of participants from relevant groups in the field. The successful candidates will be notified by email in early July 2018. They will then be instructed to pay for the registration fee, *within two weeks*, to finalize their registration. We cannot guarantee your space if your payment has not been received by the designated deadline. Your position may then be offered to other interested applicants on the waiting list.

Registration fee: €280 (covering lunches and coffee breaks on 19-21 Sept, the Gala dinner on 20 Sept, and the excursion on 22 Sept).

You do not need to pay any fees at the application stage. Only successful applicants will receive payment instructions in due time.
